

**Why do I have to sign a Liability waiver?**

“Pa’s Trek” has been in business for 30 years and has an excellent safety record. We make your well-being our primary concern. If you follow all instructions from your tour operator and apply common sense to all your actions, the risk involved in participating the tours is moderate.

The waiver of liability is necessary for us to maintain our insurance. In this day and age we could not operate this sort of business without it. If you have any questions or concerns, please feel free to ask. Also keep in mind that the word “negligence” in legal terms is to be differentiated from “gross negligence” which means that someone has been INTENTIONALLY negligent.

Some important advice:

**Cross Island trek:**

The crossing of the island on a narrow ridge at the top is neither for the faint hearted nor for those with any physical challenges. The walk could be classified as a “Grad 3” bush walk with some steep descents and ascents.

For your own safety do not leave the trek unless advised to do so, do not climb trees or rock formations unless advised to do so, do not swim in creeks or waterholes unless advised that it is safe to do so. Do not eat fruits, plants, or parts of plants or drink water unless you are advised that it is safe to do so.

Keep an eye on your children/minors and make sure that they follow ALL instructions. For safety reasons, who goes on the walk is at the tour operator’s discretion. Hike takes about 3 hours.

**Guided Nature Walk:**

The Nature Walk is a more gentle tour. Nevertheless please advise your tour operator of any health issues that might exist. Your tour operator will advise whether it is recommendable for you to participate.

Even though the risk involved in the activities is moderate please follow all instructions given before, during and after the tour strictly. Do not leave the path unless advised that it is safe to do so. Do not climb trees or rock formations unless you are advised that it is safe to do so. Do not eat fruits, plants, or parts of plants or drink water unless you are advised that it is safe to do so.

Keep an eye on your children/minors and make sure that they follow ALL instructions strictly.

If you follow these few simple instructions the tours will be of great enjoyment for all of us. Thank you for your assistance.

Your team of “Pa’s trek”

PLEASE read the text on the following page carefully and sign on the page where your tour is marked. If you have any questions our would like to amend the waiver please talk to us. We are sorry to say that we can not take you on the tour without reading and signing the waiver.
