

Shanghai Disney Resort Weather Reminder

Shanghai Disney Resort is operating normally at this time. However, due to the potential impact of Typhoon Bebinca, we may need to adjust the resort's operational arrangements in the coming days. Select outdoor attractions and entertainment including Mickey's Storybook Express and ILLUMINATE! A Nighttime Celebration may be suspended or cancelled due to poor weather conditions.

We understand these potential changes may impact your visitation plans. For guests holding unused Shanghai Disneyland tickets during September 15-17, 2024, please contact your original point of purchase for a refund or exchange should you wish to postpone your visitation plans due to inclement weather.

We will continue to monitor the weather conditions and will notify guests if there are any changes to our operations. Guests are encouraged to check the resort's official app or website for the most up-to-date operational information.

Most of the attractions, performances, restaurants and shops at Shanghai Disney Resort are indoor or half-shielded, to allow our guests to experience the majority of our experiences during different seasons throughout the year.

Thank you for your understanding and support. Please travel safe, and we wish you and your family a happy Mid-Autumn Festival!
