

Shanghai Disney Resort Weather Reminder

Shanghai Disney Resort is operating normally at this time. However, due to the potential impact of Typhoon Bavi, we may need to adjust the resort's operational arrangements if weather conditions deteriorate. Select outdoor attractions and entertainment including Mickey's Storybook Express, The Heart of Magic and Summer Beats Celebration may be suspended or cancelled. ILLUMINATE! A Nighttime Celebration may be cancelled or the fireworks effects may be removed in the performance due to poor weather conditions.

We understand that the inclement weather and its impact on our operations may affect your travel plans. For guests holding unused Shanghai Disneyland tickets for visits on July 10 to 13, 2026, or with hotel reservations (including Shanghai Disneyland Hotel and Toy Story Hotel) who postpone their plans due to adverse weather may contact their original ticket purchase channel to request a refund or reschedule their visit.

We will continue to monitor the weather conditions and will notify guests if there are any changes to our operations. Guests are encouraged to check the resort's official app or website for the most up-to-date operational information and actively monitor local weather conditions.

Most of the attractions, performances, restaurants and shops at Shanghai Disney Resort are indoor or half-shielded, to allow our guests to experience the majority of our experiences during different seasons throughout the year.

Thank you for your understanding and support! Please travel safe.
